

UCLA Health Study

**Do you identify yourself as
American Indian or Alaska Native?**

and

Do you have a current substance abuse problem?

UCLA (Daniel Dickerson, D.O., M.P.H., Principal Investigator) will be testing a new outpatient treatment that includes drumming for American Indians/Alaska Natives who have a current substance abuse problem.

- 12 weeks, during December 2011- August 2012
- About 6 hours a week
- At United American Indian Involvement, Inc. (UAI), 1125 W. 6th Street, Suite 103, Los Angeles, CA 90017
- Get paid up to \$220 in grocery/gift cards
- Voluntary
- Confidential

Participants in the research study will be selected by chance (like the toss of a coin) to receive either the drumming treatment or the regular outpatient substance abuse treatment at UAI. Participants will need to be enrolled at UAI.

Space is limited. Participants will be signed up for the study on a first come, first served basis. If you are interested in learning more about this study, call Dr. Daniel Dickerson or Kathleen now at 213-202-3970, x 7145 . Be sure to mention this flyer!
