

**County of Los Angeles Department of Public
Health, Substance Abuse Prevention and
Control Program**
With

**UCLA Integrated Substance Abuse Programs, and
the Pacific Southwest Addiction Technology
Transfer Center**

Presents a Special Training on:
**Integrating Substance Use Treatment into the Physical & Mental
Health Healthcare Systems**

Friday, June 28, 2019, 10:00 a.m. – 1:15 p.m.

County of Los Angeles Dept. of Public Health,
Substance Abuse Prevention and Control
The Alhambra Auditorium
1000 South Fremont Avenue, Alhambra, CA 91803

Featured Presenters:

John Connolly, Ph.D, Division Director of Substance Abuse Prevention & Control
Despina Kayichian, M.D., CMO of Venice Family Clinic
Gilmore Chung, M.D., Clinical Director of Venice Family Clinic

Provider Panel Representatives:

Gilmore Chung, M.D., Clinical Director of Venice Family Clinic
John Connolly, Ph.D., Division Director of Substance Abuse Prevention & Control
Charmaine Dorsey, MSW, LCSW, DHS Director, Patient & Social Support Services
Despina Kayichian, M.D., CMO of Venice Family Clinic
David Ruskin, M.D., Chief of Psychiatry, Los Angeles County Department of Mental Health
Gary Tsai, M.D., Medical Director & Science Officer of Substance Abuse Prevention & Control

Description:

This installation of the SAPC-UCLA Lecture series will identify and explore the current state, presenting opportunities and future directions of efforts to more effectively integrate the treatment of substance use disorders (SUDs) into the physical health and mental health systems of care. While the SUD, mental health and physical health systems have historically operated separately, the presentation will explore the expected service delivery benefits and positive health outcomes that are possible through intentionally designing systems that more effectively address the holistic health needs of patients. In addition to an exploration of the policy and system opportunities, we will also have a featured presenter who will identify what is needed clinically, current system opportunities, and what integration of SUD, mental health and physical health services can look like in practice. Lastly, we will learn real world approaches for effective integrated SUD service delivery from a panel of health care leaders representing the physical health, mental health and SUD service delivery systems on what they are doing to more effectively deliver services to historically underserved populations. These leaders will discuss their efforts to better integrate the healthcare workforce to collaboratively detect and treat SUDs while also establishing better pathways for effective information sharing and care linkage among these systems of care. A panel discussion will follow this presentation, featuring representatives from the Department of Public Health, Department of Health Services, Department of Mental Health and a specialty provider. These representatives will highlight what is needed clinically, current system opportunities, and what integration of SUD can look like in practice. The representatives will discuss issues relating to increasing workforce needs and abilities to collaboratively detect and treat SUDs while also establishing pathways for effective information sharing and effective linkage among health systems.

Objectives: At the end of this presentation, participants will be able to:

- 1) Identify three (3) strategies to effectively integrate Substance Use Disorder(s) into physical health and mental health care.
- 2) Discuss at least two (2) methods of improving healthcare providers ability to treat SUDs.
- 3) Discuss the expected service delivery benefits and positive health outcomes of better integrating of physical health, mental health, and substance use care.
- 4) Describe current pathways and future opportunities for information exchange among multiple health systems of care.
- 5) Explore the cultural and linguistic barriers of access, assessment and treatment of Substance Use Disorder(s) within the physical and mental health systems of care.

Continuing Education:

The training course meets the qualifications for the provision of three (3.0) continuing education credits/ contact hours (CEs/CEHs). UCLA ISAP is approved by the California Association of Marriage and Family Therapists to sponsor continuing education for LMFTs, LCSWs, LPCCs, and/or LEPs (Provider #64812). UCLA ISAP maintains responsibility for this program/course and its content. Course meets the qualifications for three (3.0) hours of continuing education credit for LMFTs, LCSWs, LPCCS, and LEPs as required by the California Board of Behavioral Sciences. UCLA ISAP is also an approved provider of continuing education for RADTs I/II, CADCs-CASS, CADCs I/II, CADCs-CSs, and LAADCs (CCAPP, #2N-00-445- 1119), CATCs (ACCBC/CAADE, #CP 20 872 C 0819), and CAODCs (CADTP, #151). CE credit will be awarded at the conclusion of the training. Partial credit will not be available for those participants who arrive late or leave early.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the California Medical Association (CMA) through the joint providership of the Los Angeles County Department of Public Health (LAC DPH) and the University of California Los Angeles-Integrated Substance Abuse Programs. LAC DPH is accredited by the CMA to provide continuing medical education for physicians.

The Los Angeles County Department of Public Health designates this live activity for a maximum of 3 PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Instructions for Filing a Grievance Concerning UCLA ISAP's Continuing Education Program: Please contact Dr. Thomas E. Freese, CE Program Administrator, in writing (UCLA ISAP, 11075 Santa Monica Boulevard, Suite 200, Los Angeles, CA 90025) or by phone (310- 267-5397).

PLEASE NOTE THAT PARKING AT THE SAPC ALHAMBRA CAMPUS COSTS \$5.00 PER VEHICLE. WE STRONGLY ENCOURAGE YOU TO CARPOOL. THIS LECTURE IS FREE BUT PRE-REGISTRATION IS REQUIRED.

Please contact Victoria Norith by phone (310) 267-5398 or e-mail (vnorith@mednet.ucla.edu) if you have questions, concerns, special needs, or require additional information before registering for this training.

If you need a disability-related reasonable accommodation/alternative format for this event, please contact Brandy Oeser at (310) 267-5331, boeser@mednet.ucla.edu .

PRE-REGISTRATION REQUIRED. REGISTER ONLINE AT <https://tinyurl.com/SAPC06-28>
